Software Engineer

Malang, Indonesia | HP: 082279092168 | Email: Prastyopratama01@gmail.com

RESUME

I am a student at Malang State Islamic University, majoring in Informatics Engineering and expected to graduate in 2024. Currently, my studies are concentrated on web development, exploring various frameworks and technologies. I have a keen interest in staying abreast of the latest trends in programming and technology, including blockchain. System development intrigues me, and I am enthusiastic about contributing to advancements in this dynamic field.

EXPERIENCE

PT. EKIS MUDA BERKARYA
